2. Trust God

3. Fear God

Main Point: The silence of God does not mean the absence of God.

SERMON LATER – REFLECTION

1. Have you experienced silence from God during dark times? How did that make you feel?
2. Do you remember God's promises for you during times of silence? Why or why not? How would remembering them help you?
3. Are you aware of God's presence in your life or in the world? When are you most aware? When are you least aware?
4. Have you ever seen God working through your suffering? How?
5. Do you fear God above all things? How is this evident in your life?
6. How will you choose to trust in God and continue to believe He has a plan and a purpose even though the future looks dark?
