

Who?

Exodus

June 7, 2020 ♦ Rev. Warrick Leung ♦ Exodus 3:11-22

Introduction

1. Who Am I?

2. Who Are You?

3. Who Am I with You?

Conclusion:

Main Point: Do not dwell on your insufficiency, but on God's sufficiency.

SERMON LATER – REFLECTION

1. Have you felt inadequate serving God before? What made you feel that way?
2. Have you turned down opportunities to serve God because you thought you were not so gifted? How did you come to that conclusion?
3. If we have knowledge about God's great kindness and power in the Jewish people's history, why do we find it difficult to think that God could use us?
4. What good things might come out of a feeling of inadequacy?
5. How does it help you to know that God is with you and working through you?
