SERMON LATER – REFLECTION

1. Can you think of some ways that you may have made God smaller in your own eyes? Why do you think you did that?
2. Is there any difficult situation or problem in your life that you don't think could ever change or improve? How long have you felt this way and how has it impacted your life?
3. When was a moment that you clearly experienced God's power in your life? What did you learn about God from that experience?
4. Are there any ways that the world has seemed more powerful than God to you? What can you do to remind yourself of the reality of God's mastery over the world?
5. The reality of God's power and sovereignty is independent of our belief—it is true whether we accept it or not. How could knowing this encourage us when we have doubts? What do you do when something causes you to question God's strength or goodness?
