SERMON LATER – REFLECTION

1. Have there been times where you lacked confidence? What happened?
2. When it comes to following God, in what areas are you most confident? Least confident? How do you feel when you're called to be obedient in an area where you lack confidence?
3. When following God, have you ever had to act in courage even when there was a chance that things would not turn out the way that you expected? What made you decide to do it or not do it?
4. Do you have confidence in God that He can do great and mighty things through your obedience to Him? Why or why not?
5. How have you seen God's power and strength demonstrated in your life as you or others you know have followed Him? Does it become easier or harder to follow Him over time?
