SERMON LATER – REFLECTION

1. Have you ever questioned whether God knew what He was doing? What happened? What made you respond in such a manner?
2. Has God ever led you on the “longer” path in life rather than the “shorter” one? Did it make any sense to you at the time? Does it make any sense to you now?
3. Romans 8:28 says, “And we know that in all things God works for the good of those who love Him, who have been called according to His purpose.” As you reflect on your journey in life, do you believe that God intended it all for good? Why or why not?
4. Joseph believed that God was faithful, and this belief was supposed to encourage Moses and the Israelites during their exodus out of Egypt. What do you have to bolster your faith during hard circumstances in life when you need to trust in the faithfulness of God?
5. Do the things that you see or don't see in life make you forget about who God is? How can you walk by faith even if you cannot see what's ahead of you?
