SERMON LATER – REFLECTION

1. Have you ever thought about doing something you feared, but later backed out? What made you change your mind to not follow through with it?
2. In what ways are you or have you been scared to follow God? Why were you scared? What happened because of those fears?
3. Has there been a time where you decided to walk by faith even though you were scared? What was the outcome? Did that encourage or discourage you more?
4. Do you feel that you are constantly trying to be a Christian because there are shortcomings in your life that you're trying to overcome? How do you feel when you succeed or fail? Do you still try even after the successes and failures?
5. How does it encourage you to know that our position before God is not based on how strong our faith is or whether we have struggles, but on a change in status?
