## SERMON LATER – REFLECTION

1. Have you ever been in a situation where you felt out of place? What happened and what made you feel that way?
2. How can you develop a heavenly mindset consumed with the things of God? What obstacles prevent you from doing that?
3. Would you say that your life is different compared to those that don't know Christ? Why or why not?
4. Does your hope in the future dictate your present values and goals? How do you know?
5. List all the identities you possess (ex. nationality, relationships, etc.) and put them in the order they seem most important to you. Where does your identity in Christ sit in that list? Why is that, and how can it be made the highest priority?
