

# Pursuing Unity

All to Christ

November 7, 2021 ♦ Rev. Warrick Leung ♦ Colossians 4:7-14

## Introduction

1. Same Status (4:7-9)
2. Same Calling (4:10-11)
3. Same Purpose (4:12-14)

## Conclusion:

Main Point: Unity should mark the church that was purchased by the blood of Christ

## SERMON LATER – REFLECTION

1. When you come across a list of names in the Bible, are you tempted to skip over it? When have you found insights in these lists?
2. Do you reflect the same willingness not just to be reconciled to God, but to share the gospel and work with those who are different from you? When might it be more of a challenge?
3. How does focusing on what you have in common with other brothers and sisters in Christ help you to deal with your differences?
