## Sermon Later ...

1. What is the difference between praying *for* someone and praying *on behalf* of someone? How does it benefit others if we give thanks and confess sins for them?
2. How is it challenging to pray for people that you don't know? Who are some strangers that you think it could be important for you to pray for?
3. If God desires everyone to be saved, then why isn't everyone saved if He is God and all-powerful? What does it reveal about God's character that He has chosen not to do something that is within His power to do?
4. What is the significance of saying that there is one God and one mediator between God and humankind (verse 5)? If you believe this, how should that belief influence your actions?
