Sermon Later ...

1. What is a memory that you have of how God has worked in your life? What do you do to hold onto this memory and keep it alive? Why is it important to do this?
2. If you were going to write a song of praise to God, what would your song be about? What aspect of God's character would you best be able to testify about?
3. What is something for which you have been waiting a long time? How long has it been? What has allowed you to keep your hope alive for so long?
4. To whom do you feel a responsibility to bring the message of God's peace? What do you think God wants you to do with that sense of responsibility?
