SERMON LATER – REFLECTION

1. In which areas have you been increasingly walking in line with the truth of the Gospel in the past year?
2. Are there people in your church you have not been “eating with” because they are not like you? What self-righteousness lies beneath this attitude?
3. Have you ever confronted and challenged others in the church? What happened?
4. How can you motivate yourself, and other Christians, less with guilt and more with the Gospel?
